Riverside - Albert BOIL WATER ORDER LIFTED

I am pleased to advise you that the “Boil Water Order” is now lifted in Riverside-Albert; and it is safe to drink water directly from the tap.

The order was put in place due to an unexpected water main break. As required by Public Health, we have had two days of clean samples.

Thank you to those affected for your patience during this boil order.

Scott Reid
Director of Operations
Village of Fundy Albert
