COUNCIL REPORT FORM (CRF)

To	Fundy Albert Council in Public Session
From	Kim Beers
Date	November 17, 2026
Subject	Code of Conduct

Type	X Public	Private	Committee of the Whole

BACKGROUND

In August 2026, a formal complaint was received concerning the conduct of Councillor Davis under the Village of Fundy Albert's Council Code of Conduct.

Montana Consulting Group was appointed on September 15, 2026, to conduct an independent investigation into the six allegations outlined in the complaint.

The independent investigator completed the investigation and submitted a final report to the Mayor dated October 28, 2026.

SUMMARY OF FINDINGS

Following a review of the allegations, supporting documentation, and information gathered during the investigation, Montana Consulting Group concluded that all six allegations were unsubstantiated and that no violations of Council's Code of Conduct had been established.

While the independent investigator has provided findings and conclusions, Council retains the authority and responsibility to review the investigation report and make the final determination regarding the complaint, in accordance with the applicable Code of Conduct and legislative requirements.

COUNCIL CONSIDERATIONS

Council is responsible for making the final determination regarding the Code of Conduct complaint following its review of the independent investigator's report.

Council may accept the investigator's findings that all six allegations are unsubstantiated or, where supported by the evidence, reach a different determination.

Should Council determine that one or more allegations are substantiated, Council must then consider whether sanctions or corrective measures are warranted.
